## New School Values

Dear Parents, Carers and Children,

For the families who could make my recent 'Meet the Headteacher' coffee afternoons, I mentioned about us reviewing Marsden Junior School's vision and values. Like you, I want our children to have excellent learning opportunities and also be well-rounded young people who are kind, respectful and well-prepared for later life.

The below Menti 'word cloud generator' will allow us all – families, children, governors and staff – to share the personal qualities we want to instil in our children. These characteristics will help shape school moving forwards and will allow us to have values that are personal and prevalent to our school and local community.

**To add your important personal qualities, please either visit this link:**

**<https://www.menti.com/alavqg8f9dn9>, visit the Menti website (using access digits: 8749 2437) or scan the QR code on this page:**

You can add single word responses (e.g. ambitious, caring, determined, etc.) or short phrases (e.g. eco-friendly, positive wellbeing, celebrate difference, etc.).

The word cloud will stop accepting new responses on 13<sup>th</sup> June and I will, of course, share the results and new school values once I have captured as many voices as possible.

Thank you for your continued support.

With best wishes,

Mr J Stuttard  
Executive Principal

Marsden Junior School  
Manchester Road  
Huddersfield, HD7 6EP
