Dear Parents and Carers,

Re: Clubs and After School Activities Spring 2 Term 2024

We are continuing to try to move away from paper letters as much as possible. This is particularly important when it comes to our clubs and after school activities – there is always so much paper!

From now on, you will be able to sign your child up for their choice of clubs and after school activities using your Arbor app. This should not only reduce the amount of paper, but also make the process much easier and quicker for you all.

Here is a reminder of the clubs on offer for Spring 2 Term:

Using the Arbor App will make the process quicker but, as with any new procedure, it will take time to become familiar with it. So if you have any questions or queries, please contact Mrs Clow through the school office, or email: j.clow@themjs.org, who will be able to talk you through any difficulties.

Kind regards
