## Pupil Premium

Dear Parent/Carer,

Each year, we write to let you know Marsden Junior School's pupil premium offer and to ask families to regularly check whether their children qualify for a free school meal and pupil premium funding for the school. Pupil premium funding is a grant from the government, given to schools to help children reach their full potential, regardless of their background or financial situation. Each school's fund is calculated on who:

- Is registered for free school meals
- Has been registered for free school meals at any point in the past six years
- Is, or has been, in care
- Has a parent/carers in the armed forces.

As a school, we have used pupil premium funding for:

- Educational provision and resources
- Enhancing 'experiences' in school, such as trips and visitors
- Academic interventions
- Social, emotional and wellbeing interventions.

**As a parent/carers at Marsden Junior School, being in receipt of pupil premium funding will support you and your child with free school meals, financial support with school trips and experiences, reduced costs on school clubs, and uniform vouchers. It may also support with attending Breakfast Club and other school-based interventions.**

To find out if you are eligible and to apply for free school meals, visit [Free school meals | Kirklees Council](#) or scan the QR code below. If you would like to speak to a member of staff about pupil premium funding, please contact school to speak to myself or Mr Andrews.

With best wishes,

Mr Jamie Stuttard

Executive Principal
